Sec. 2. Section 14-5312.01, Arizona Revised Statutes, is amended to read:

14-5312.01. Inpatient treatment; rights and duties of ward and guardian

A. Except as provided in subsection B of this section, a guardian of an incapacitated person may consent to psychiatric and psychological care and treatment, including the administration of psychotropic medications, if the care and treatment take place outside ~~a level one behavioral health~~ AN INPATIENT PSYCHIATRIC facility licensed by the department of health services.

1 B. On clear and convincing evidence that the ward is AN incapacitated
2 ~~as a result of a mental disorder as defined in section 36-501,~~ PERSON and is
3 likely to be in need of inpatient mental health care and treatment within the
4 period of the authority granted pursuant to this section, the court may
5 authorize a guardian appointed pursuant to this title to give consent for the
6 ward to receive inpatient mental health care and treatment, including
7 placement in ~~a level one behavioral health~~ AN INPATIENT PSYCHIATRIC facility
8 licensed by the department of health services and medical, psychiatric and
9 psychological treatment associated with that placement. The evidence shall
10 be supported by the opinion of a mental health expert who is either a
11 physician licensed pursuant to title 32, chapter 13 or 17 and who is a
12 specialist in psychiatry or a psychologist who is licensed pursuant to title
13 32, chapter 19.1.

14 C. In making its decision to grant authority to a guardian pursuant to
15 subsection B of this section, the court shall consider the cause of the
16 ward's disability and the ward's foreseeable clinical needs. The court shall
17 limit the guardian's authority to what is reasonably necessary to obtain the
18 care required for the ward in the least restrictive treatment alternative.
19 The court may limit the duration of the guardian's authority to consent to
20 inpatient mental health care and treatment and include other orders the court
21 determines necessary to protect the ward's best interests.

22 D. Within forty-eight hours after placement of the ward pursuant to
23 this section, the guardian shall give notice of this action to the ward's
24 attorney. When the attorney receives this notice the attorney shall assess
25 the appropriateness of the placement pursuant to section 36-537, subsection B
26 and section 36-546, subsection H. If requested by the attorney, the court
27 shall hold a hearing on the appropriateness of the placement within three
28 days after receiving that request.

29 E. The ~~behavioral health treatment~~ INPATIENT PSYCHIATRIC facility
30 shall assess the appropriateness of the ward's placement every thirty days
31 and shall provide a copy of the assessment report to the ward's attorney ON
32 REQUEST. The ward's attorney may attend the ward's evaluation, staffing,
33 treatment team and case management meetings.

34 F. When the ward is admitted to ~~a level one behavioral health~~
35 ~~treatment~~ AN INPATIENT PSYCHIATRIC facility pursuant to this section, the
36 guardian shall provide the facility with the name, address and telephone
37 number of the ward's attorney. The facility shall include this information in
38 the ward's treatment record.

39 G. Within twenty-four hours after the facility receives any writing in
40 which the ward requests release from the facility, any change in placement or
41 a change in the type or duration of treatment, the facility shall forward
42 this information to the ward's attorney.

43 H. All health care providers, treatment facilities and regional
44 behavioral health authorities shall allow the ward's attorney access to all

1 of the ward's medical, psychiatric, psychological and other treatment
2 records.

3 I. The ward's guardian shall place the ward in a least restrictive
4 treatment alternative within five days after the guardian is notified by the
5 medical director of the inpatient facility that the ward no longer needs
6 inpatient care. The ward, a representative of the inpatient treatment
7 facility, the ward's attorney, the ward's physician or any other interested
8 person may petition the court to order the facility to discharge the ward to
9 a least restrictive treatment alternative if the guardian does not act
10 promptly to do so.

11 J. If the ward is in ~~a behavioral health treatment~~ AN INPATIENT
12 PSYCHIATRIC facility at the time of the initial hearing on the petition for
13 appointment of a guardian, the court investigator and the ward's attorney
14 shall advise the court of the appropriateness of the placement.

15 K. An attorney appointed pursuant to section 14-5303, subsection C
16 remains the attorney of record until the attorney is discharged by the court.
17 The court shall ensure that a ward whose guardian has been granted INPATIENT
18 mental health treatment authority is represented by an attorney at all times
19 the guardian has that authority. Unless the court finds that the ward has
20 insufficient assets to meet the ward's reasonable and necessary care and
21 living expenses, the ward shall pay the attorney's reasonable fees.

22 L. If deemed necessary to adequately assess a request for INPATIENT
23 mental health treatment authority or to review the ward's placement in ~~a~~
24 ~~behavioral health treatment~~ AN INPATIENT PSYCHIATRIC facility, the court may
25 order an independent evaluation by either a physician who is licensed
26 pursuant to title 32, chapter 13 or 17 and who is a specialist in psychiatry
27 or a psychologist who is licensed pursuant to title 32, chapter 19.1. If the
28 ward has insufficient funds to pay the total cost of this evaluation, the
29 court may deem all or any part of the evaluator's fee to be a county expense
30 after determining the reasonableness of that fee.

31 M. Instead of ordering an independent evaluation pursuant to
32 subsection L of this section, the court may accept a report conducted on
33 behalf of the ~~behavioral health treatment~~ INPATIENT PSYCHIATRIC facility if
34 the court finds that the report meets the requirements of an independent
35 evaluation.

36 N. The court may decide that the ward's right to retain or obtain a
37 driver license and any other civil right that may be suspended by operation
38 of law is not affected by the appointment of a guardian.

39 O. If the court grants the guardian the authority to consent to
40 inpatient mental health care and treatment pursuant to this section, the
41 medical director of ~~a level one behavioral health~~ AN INPATIENT PSYCHIATRIC
42 facility licensed by the department of health services may admit the ward at
43 the guardian's request.

44 P. A guardian who is authorized by the court to consent to inpatient
45 mental health care and treatment pursuant to this section shall file with the

1 annual report of the guardian required pursuant to section 14-5315 an
 2 evaluation report by a physician or a psychologist who meets the requirements
 3 of subsection B of this section. The evaluation report shall indicate if the
 4 ward will likely need inpatient mental health care and treatment within the
 5 period of the authority granted pursuant to this section. If the guardian
 6 does not file the evaluation report or if the report indicates that the ward
 7 will not likely need inpatient mental health care and treatment, the
 8 guardian's authority to consent to this treatment ceases on the expiration of
 9 the period specified in the prior court order. If the report supports the
 10 continuation of the guardian's authority to consent to inpatient treatment,
 11 the court may order that the guardian's authority to consent to this
 12 treatment continues. If the report supports the continuation of the
 13 guardian's authority to consent to this treatment, the ward's attorney shall
 14 review the report with the ward. The ward may contest the continuation of
 15 the guardian's authority by filing a request for a court hearing within ten
 16 business days after the report is filed. The court shall hold this hearing
 17 within thirty calendar days after it receives the request. The guardian's
 18 authority continues pending the court's ruling on the issue. At the hearing
 19 the guardian has the burden of proving by clear and convincing evidence that
 20 the ward is likely to be in need of inpatient mental health care and
 21 treatment within the period of the authority granted pursuant to this
 22 section.

23 Q. The court may discharge an attorney who was appointed pursuant to
 24 section 14-5303, subsection C subsequent to the appointment of a guardian if
 25 it clearly appears from specific facts presented by affidavit or verified
 26 petition that continued representation of the ward is no longer necessary or
 27 desirable. The factual basis must include, at a minimum, consideration of
 28 the following:

- 29 1. The nature and history of the ward's illness.
- 30 2. The ward's history of hospitalization.
- 31 3. The ward's current and anticipated living arrangements.
- 32 4. Whether the ward's inpatient treatment is anticipated to be a
 33 one-time hospitalization for the purpose of stabilizing the ward's condition
 34 and further hospitalizations are not likely to be necessary.
- 35 5. Whether the ward's current and anticipated living arrangements are
 36 the least restrictive alternatives possible.

37 Sec. 3. Section 14-5312.02, Arizona Revised Statutes, is amended to
 38 read:

39 14-5312.02. Admission for evaluation or treatment by guardian;
 40 duties of physician or mental health care
 41 provider

42 A. Notwithstanding the procedures and requirements prescribed in title
 43 36, chapter 5, articles 4 and 5 relating to involuntary court-ordered
 44 evaluation or treatment, if the guardian who is granted the authority to
 45 consent to inpatient mental health care or treatment pursuant to section

1 14-5312.01 has reasonable cause to believe that the ward is in need of
 2 evaluation or treatment, the guardian may apply for admission of the ward for
 3 evaluation or treatment at any ~~level one behavioral health~~ INPATIENT
 4 PSYCHIATRIC facility. The guardian must present the facility with a
 5 certified copy, or a photocopy of the certified copy, of the guardian's

 8 ~~and correct copy of a certified copy, of letters of guardianship with mental~~
 9 ~~health authority that authorize the guardian to admit the ward to a level one~~
 10 ~~behavioral health facility issued pursuant to 14-5312.01, subsection B and~~
 11 ~~that the letters of guardianship are currently effective and have not been~~
 12 ~~revoked, terminated or rescinded.~~

13 B. If the guardian requests admission, the facility to which the
 14 guardian applies may admit the person if ~~prior to~~ BEFORE admission a
 15 physician who is licensed pursuant to title 32, chapter 13 or 17 does all of
 16 the following:

17 1. Conducts an investigation that carefully probes the ward's
 18 psychiatric and psychological history, diagnosis and treatment needs.

19 2. Conducts a thorough interview with the ward and the guardian.

20 3. Obtains the guardian's informed consent. For the purposes of this
 21 paragraph, "informed consent" has the same meaning prescribed in section
 22 36-501.

23 4. Makes a written determination that the ward needs an evaluation or
 24 will benefit from inpatient care and treatment of a mental disorder or other
 25 personality disorder or emotional condition and that the evaluation or
 26 treatment cannot be accomplished in a less restrictive setting.

27 5. Documents in the ward's medical chart a summary of the doctor's
 28 findings and recommendations for treatment.

29 C. After admission, if the ward refuses treatment or requests
 30 discharge and the treating physician believes that further inpatient
 31 treatment is necessary or advisable, the facility may rely on the consent of
 32 the guardian for treatment, release and discharge decisions pursuant to the
 33 guardian's authority under the guardianship.
